## Summary

Pre-final year B.Tech CSE student skilled in DSA, full-stack development, ML, and blockchain. Strong problem-solving background with Global Rank 865 on LeetCode and experience building scalable, high-performance applications. Seeking SDE/ML internships.

## Technical Skills

**Languages:** C, C++, JavaScript, Python, SQL, Solidity

**Frameworks:** React.js, Node.js, Express, Tailwind, PyTorch, Hardhat, spaCy

**Tools:** Git, GitHub, Postman, Firebase, VS Code, Vercel, Netlify

**Core:** DSA, OOP, REST APIs, System Design, OS, DBMS, CN

## Projects

### CodeDuo — Gamified Coding Platform

GitHub

*React, Node.js, Express, Firebase*

- Built gamified coding platform with XP, streaks, and leaderboards to improve engagement.
- Implemented Firebase Auth for secure login and real-time progress sync.
- Optimized React rendering and state management, reducing load time by 25%.

### PaperReviewTool — AI Research Paper Scorer

GitHub

*Python, NLP, PyTorch, spaCy*

- IIT Kharagpur Hackathon Finalist; automated research paper evaluation system.
- Built semantic scoring engine using spaCy for readability & keyword density analysis.
- Achieved 90%+ accuracy extracting multi-column PDFs using PyPDF2.

### AUTHSCAN — Blockchain Certificate Verifier

GitHub

*Solidity, Hardhat, React*

- Developed decentralized academic certificate verification DApp.
- Deployed gas-optimized smart contracts ensuring tamper-proof credential storage.
- Integrated IPFS for distributed file storage with high availability.

## Achievements

- **LeetCode:** Global Rank 865 (Biweekly 166), solved 600+ DSA problems.
- **Hackathon:** Top 10 finalist at IIT Kharagpur among 500+ teams.
- Consistently high performance in algorithmic contests and coding platforms.

## Education

### B.Tech in Computer Science & Engineering — PSIT Kanpur

2023–2027

Coursework: DSA, OS, DBMS, CN, OOP, Algorithms

### City Montessori School, Lucknow

ISC (XII) — 2022

ICSE (X) — 2020

## Leadership & Volunteering

### National Service Scheme (NSS)

- Led 10 volunteers in hygiene awareness drives across 3 rural villages.
- Taught mathematics and science to 50+ underprivileged students.
